I have been involved in Endurance Riding since 1992.

What can I bring to the SAEF EXCO?

Having been part of the numerous different bodies over the past few years, I believe that I have experienced all the ups and downs that the Federation has been through, so I believe my experience and passion for the Sport are my two greatest attributes.

I believe that I am level-headed and have done everything in my power to take Equestrian Sport forward and will continue doing so, even if it means butting heads with the powers that be.
